

BAD HABITZ

BIO

For over 15 years Bad HabitZ is active in the hardstyle scene, his release 'Higher Love' released under X-bone records, sub label of Scantraxx went and still goes strong. With a 13th place and no less than 3 weeks in the top 40 on hardstyle.com and already over 600K+ streams on spotify is this his biggest success and he is on for more. Bad HabitZ is a producer duo from The Hague consisting of Ferry Overduin and Rody Bothe who produce the tracks together, but Ferry Overduin is the face of Bad HabitZ and will also take place behind the decks to spread our unique sound.
